Questionnaire – Contractors with Design Liability

1) Please break your turnover down as follows:

	Last Complete Financial Year		Current Financial Year Estimate	
	Home	Overseas	Home	Overseas
(a) Turnover where the Firm designs / constructs / manufactures / installs from its own design and provides full technical supervision				
(b) Fees where the Firm provides design and technical services only (i.e. no construction / installation / manufacture is undertaken by the Firm)				
(c) Fees where the Firm provides project management or supervision of construction services only (i.e. no construction / installation / manufacture is undertaken by the Firm)				
(d) Turnover where the Firm constructs / installs / manufactures from others' design performed on behalf of the Firm (i.e. where there is a contingent design liability)				
(e) Turnover where the Firm constructs / installs / manufactures from others' design and others' technical supervision				
(f) Other turnover not mentioned above (please give details) - these activities will not normally be covered				
Total				

2) If no turnover is declared in (a), (b), (c) or (d) above, have you ever in the past undertaken contracts with design liability?

YES		NO	
-----	--	----	--

If **Yes**, please provide full details:

3) Please provide the following details of project values during the last 3 years:

Activity	Average Total Single Project Value	Highest Total Single Project Value	Highest Own Single Project Value*
Civil Engineering			
Structural Engineering			
Building Services Engineering			
Architecture			
Other			

Definition:

* own project value - the total value of the proposer's proportion of the total project (not just the fee element)
